

Message from the Principal

Welcome back to a fun and what will be an exciting school year! Wow, where did the summer go? It always seems to go so fast, kind of like the school year. Before I know it, Winter Break will be here. There are some wonderful opportunities this year with ASL, our NEW library program, and a "TURTLE" student once a month through our PBIS team! We are always working towards our mission here at GLOBE and these exciting, new ways are just part of that. We have a new music teacher, Ms. Reed, that we are excited to introduce and she will be introducing keyboarding lessons afterschool for all of those interested in learning how to play! I cannot wait to hear the new sounds in the school. So many new things to look forward to this year.

Please feel free to email the building leadership team with any comments at buildingleadershipteam@hotmail.com and I am looking forward to an AWESOME new year!

Mrs. Breakey
