

School safety for students, staff, and community is a huge concern for us. We have asked numerous times for people not to text and drive, make u-turns across the double yellow lines in front of the school, talk on their cell phones, speed, and other numerous unsafe vehicular and illegal driving operation during drop-off and pick-up times. We are asking for help and have called the local law enforcement to come and help enforce the laws of school and roads during these times. Mr. Evans, Mr. Green, and several staff members have asked several people to please stop, I have even asked several people to please stop. We do not want any children hurt, we do not want to see any accidents happen, and we do not want any staff members hurt. We are only asking for people to obey the law and keep our school area safe. If you see police presence, we have asked them to patrol our area.

Thank you.

Heidi Breakey

Principal
