Homework Spelling Games

Choose a game each night to help you study for your spelling tests!

- _____ 1. ABC Order- Write your words in alphabetical order. Then write them in reverse alphabetical order.
- _____ 2. Riddle Me- Write a riddle for each word.
- _____ 3. Connect the Dots- Make a square of 4 rows of dots with 4 dots in each row. Before taking a turn, the player must spell a spelling word. If the word is correct, he connects two dots. When a player forms a square, he can write his initials in the box. Player with most squares at the end wins.
- _____ 4. Story, Story- Write a story using ALL of your spelling words.
- _____ 5. Sentence Please- Write a sentence for each spelling word.
- _____ 6. Colorful Words- Use two different color pens to write your spelling words. Use one color to write the consonants and the other for the vowels. Do this one more time. Close your eyes and picture the word in your mind. Now try and write the word with just one color.
- _____ 7. Word Search- make and complete a word search using www.discoveryeducation.com/free-puzzlemaker
- _____ 8. Spelling Bingo- Each player folds a piece of paper 4 times so you have 16 boxes. Each person makes his own game board and chooses 16 words from the current list and past lists (or use the same words more than once). Write one word in each box. The caller says a spelling word. If a player has the word on his bingo card, he traces over it with a pen or colored pencil. If the player does not have the word, he turns his paper over and writes it on the back. For a real challenge, play black-out bingo.
